

KI 900 Series™ Metric Pedestals

KI 900 Series A4 and Slim pedestals offer all the design, construction and safety features expected from KI. Pressed durable steel frame for strength and rigidity in one seamless, pressed steel piece ensures durability. Multi-bearing drawer runners with secure close action are standard. The KI 900 Series Pedestals feature a monolithic look with side pulls. Filing drawers are high sided and can be refigured retrospectively.

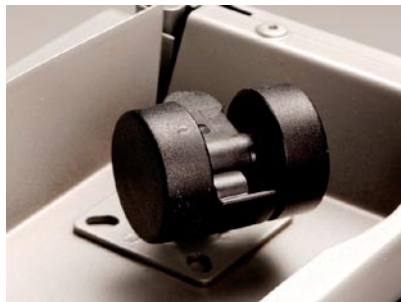

British designed and manufactured, certified to BS 4875 pt 7&8 Level 4 and with a ten year guarantee. Units feature an anti-tilt system with castors or adjustable glides and are available in any colour. Drawer fronts may be colour co-ordinated, wood drawer and top finishes in birch, maple, oak glass or COM are specifiable with the option of contrasting colour drawer front and textured paint finishes.
