KI (UK) Ltd Warranties 2007

29-Jan-07

The following KI product warranty applies to products manufactured after May 31, 1997.

This warranty is given to the initial purchaser and is valid for as long as the initial purchaser owns the product. The warranty, which runs from the date of manufacture, covers defects in materials and craftsmanship found during normal usage of the products during the warranty period. If a product is defective, and if written notice of the defect is given to KI within the applicable warranty period, KI at its option will either repair or replace the defective product with a comparable component or product, or provide a refund of the purchase price. The Lifetime Warranty applies regardless of the number of shifts the product is used each day unless specified as an exception. All other product warranties are a single 8-hour shift per day unless otherwise noted.

This warranty does not apply to damage caused by carrier, alterations to product not expressly authorized by KI, nor to products considered to be of a consumable nature such as bulbs, light ballasts, and surge suppression products. It also does not apply to "Customer's Own Material" (i.e., material supplied by the customer that is not a standard KI product offering) used in the manufacture of KI products. KI does not warranty the matching of colour, grain or texture except to within commercially acceptable standards. A product will not be considered defective, and KI will not be obligated to replace it, if the product is subject to any of KI's written planning, installation or user guides, and is not installed or used as recommended therein.

EXCEPT AS STATED ABOVE, KI MAKES NO EXPRESS OR IMPLIED WARRANTIES AS TO ANY PRODUCT AND IN PARTICULAR MAKES NO WARRANTY OF FITNESS FOR ANY PARTICULAR USE. AT KI'S OPTION, PRODUCT REPAIR, REPLACEMENT, OR REFUND OF PURCHASE PRICE IS THE CUSTOMER'S EXCLUSIVE REMEDY FOR ANY AND ALL PRODUCT DEFECTS.

KI will not be liable for consequential, economic, or incidental damages arising from any product defect.
